The Kingdom of Thomas.

Hon. M. L. Lacy, probate judge of
Thomas county, has issued a tempo-
rary injunction, returnable December
23d, against G. M. Brooks, county
treasurer of Sheridan county, to re-
strain the selling of certain school
lands situated in Thomas county which
were in process of sale before such
county was organized. Our Thomas
county friends seem to think they
have a little kingdom unto themselves,
regardless of the statutes in such
cases made and provided. We pre-
sume the next move will be a writ of
mandamus to compel the legislature
to recognize their representative elect,
as a full fledged member of the house
regardless of the constitutional limit.
—Kenneth Sentinel.

Attorney General Bradford wrote
the county attorney of this county,
that he had written the treasurer of
Sheridan to stop the sales, and in
case that he did not, to commence
action in the name of the Attorney
General. Brooks did not do as re-
quested, compelling an action before
the district judge Thomas county
has right and law on her side and will
win. Sheridan has greed, gluttony
and gall, and will get kicked in the
same spot that Bismark kicked the
same animal—the great American hog.
Brooks informed us once that he was
competent to fill the office of state
treasurer, and by this time, we pre-
sume that he has legal knowledge
enough for a supreme judge.
